

LASER DISTANCE METER

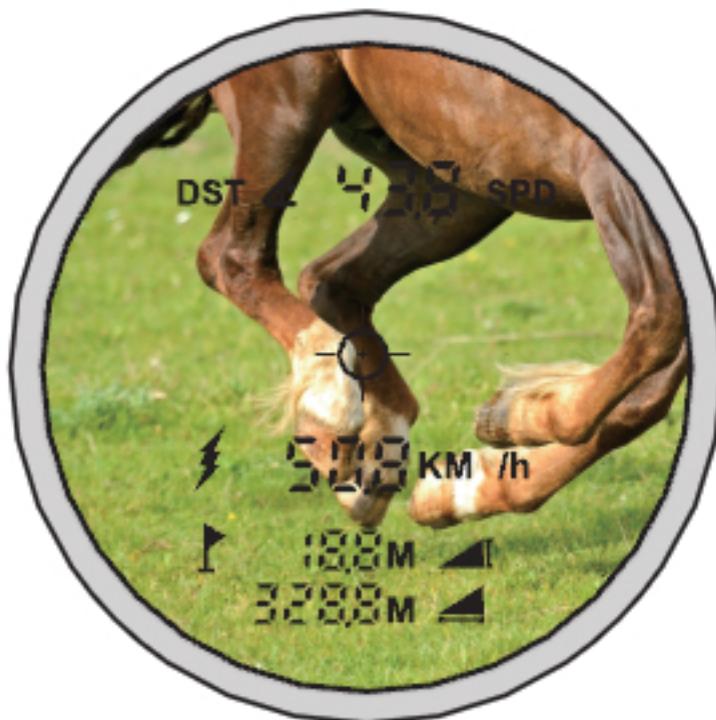

TM1200

Distance, angle measurement

- ◆ IP54 protection
- ◆ Can measure distance, angle and speed
- ◆ Power off automatically

Speed measurement

SPECIFICATION

| | |
|-----------------------------|---------------------------------------|
| Measuring range | 3m-1500m |
| Magnification | 8X |
| View field | 7° |
| Distance measuring accuracy | ±1m |
| Speed measuring accuracy | ±5km/h |
| Powersupply | Rechargeable battery(for 30000 times) |
| Laser | 635nm<1mW |
| Weight | 197g |
| Dimension | 104×77×41 mm |
